Things to know

What you need to know when you apply

- Social Security numbers for applicants who are U.S. citizens, or document information for immigrants with satisfactory status who need insurance. Proof of citizenship or immigration status is required only for applicants.
- Employer and income information for everyone in your family.
- Your federal tax information. For example, the person who files taxes as head of household and the dependents claimed on your taxes.
- Information about health insurance that you or any family member gets through a job.

➡ We ask about income and other information to make sure you and your family get the most benefits possible.

➡ **We keep your information private and secure, as required by law.** We'll use your information only to see if you qualify for health insurance.

➡ Families that include immigrants can apply. You can apply for your child even if you aren't eligible for coverage. Applying for your eligible child won't affect your immigration status or chances of becoming a permanent resident or citizen.

➡ If you don't file taxes, you can still qualify for free or low-cost insurance through Medi-Cal.

➡ If you are a federally recognized American Indian or Alaska Native who is getting services from an Indian Health Services' funded tribal health program or urban Indian health program, you may still qualify for health insurance through Covered California.

Your rights and responsibilities

- The information I gave on this application is true as far as I know. I know that I may be subject to a penalty if I do not tell the truth.
- I understand that the information I give will be used only to see if those in my family who are applying for health insurance will qualify.
- I understand that Covered California and the Medi-Cal program will keep my information private, as the law requires. For more information, or access to personal information in records maintained by Covered California and the Medi-Cal program, I can contact the Privacy Officer at **1-800-300-1506** (TTY: 1-888-889-4500).
- I understand that to be eligible for Medi-Cal, I am required to apply for other income or benefits to which I or any member of my household is entitled, unless he or she has good cause for not doing so. Examples of such income or benefits are pensions, government benefits, retirement income, veterans' benefits, annuities, disability benefits, Social Security benefits (also called OASDI or Old Age, Survivors, and Disability Insurance), and unemployment benefits. But such income or benefits do not include public assistance benefits, such as CalWORKs or CalFresh. If I have a question about a possible source of income, I can call Covered California at **1-800-300-1506** (TTY: 1-888-889-4500) for help.
- I know that I must tell Covered California or my county social services office about changes to anything I wrote on this application. To report changes, I can call Covered California at **1-800-300-1506** (TTY: 1-888-889-4500) or visit **CoveredCA.com**. Or, I can call my county social services office.
- I know that Covered California must not discriminate against me or anyone on this application because of race, color, national origin, religion, age, sex, sexual orientation, marital status, veteran's status or disability. If I think Covered California has discriminated against me, including the failure to provide reasonable accommodations as required under state and federal law, I can make a complaint by visiting **www.hhs.gov/ocr/office/file or http://oag.ca.gov/contact/general-comment-question-or-complaint-form**. If I believe that Covered California has discriminated against me or anyone else on this application in connection with a Medi-Cal eligibility determination, I can also file a complaint with the Department of Health Care Services, Office of Civil Rights by calling **1-916-440-7370** (TTY: 1-916-440-7399).
- I understand that any changes in my information or information of any member(s) in the applicant's household may affect the eligibility of other members of the household.
- I confirm that no one applying for health insurance on this application is confined, after the disposition of charges (judgment), in a jail, prison, or similar penal institution or correctional facility. However, all inmates may apply for Medi-Cal regardless of their incarceration status.
- I understand that I must report income changes to Covered California because it may affect the amount of premium assistance (or tax credits) that I may be eligible to receive. I also understand if I receive too much premium assistance (or tax credits) during the benefit year, I will have to repay the extra premium assistance back to the IRS when I file my federal income taxes for the benefit year.
- I give my permission to Covered California to check other agencies' computer records to verify citizenship, satisfactory immigration status, tax information, and other information related only to eligibility to see if I and other people on this application qualify for health insurance.

If someone on the application qualifies for Medi-Cal:

- I know that if Medi-Cal pays for a medical expense, any money I or anyone on this application get from other health insurance or legal settlements related to that expense will go to Medi-Cal as payment for the expense until the expense is paid in full.

For parents whose child or children qualify for Medi-Cal:

- I know I will be asked to help the agency that collects medical support from any parent on this application who does not live with the child and does not send support for the child. If I think that helping will harm me or my children, I can tell the Medi-Cal program and I will not have to help.

Your rights and responsibilities *continued on next page*

Your rights and responsibilities *(continued)*

Your right to appeal:

- If I think Covered California or the Medi-Cal program has made a mistake, I can appeal its decision. To ***appeal*** means to tell someone at Covered California or the Medi-Cal program that I think its decision is wrong and ask for a fair review of the action.
- I know that I can find out how to appeal by calling **1-800-300-1506** (TTY: 1-888-889-4500).
- I know that I must file an appeal within 90 days of the decision.
- I know that I can represent myself or have someone else represent me in my appeal, such as an authorized representative, a friend, a relative, or a lawyer.
- I know that if I need help, someone at Covered California, the Medi-Cal program, or the county social services office can explain my case to me.

Renewal of insurance

To make it easier to continue to get health insurance in future years, I agree to allow Covered California to use computer sources, such as the IRS, to check my income. If the sources show I am still eligible, my insurance coverage can be renewed for another 12 months and I won't have to fill out a renewal form or send other paperwork.

I understand that if I choose not to allow Covered California to use computer sources, I must complete a renewal packet every 12 months in order to continue my health insurance.

I agree to allow Covered California or the Medi-Cal program to check my information for:

☐ 5 years ☐ 4 years ☐ 3 years ☐ 2 years ☐ 1 year

OR

☐ I do not want Covered California to check my tax returns at renewal.

Federally recognized American Indians and Alaska Natives can get services from the Indian Health Services, tribal health programs, or urban Indian health programs. They also may not have to pay out-of-pocket costs (such as co-pays) and may get special enrollment periods. Be sure to complete this form and send it in with your application and your proof of Native American or Alaska Native heritage. You may send a document from a federally recognized Indian tribe that shows you are a member of the tribe or affiliated with the tribe (such as a tribal enrollment card or certificate of degree of Indian blood.) If you think you qualify for Medi-Cal, you do not have to send proof of your Native American or Alaska Native heritage. See the chart on page 27 to see if you can qualify for Medi-Cal.

If you need to tell us about more than four people who are American Indians or Alaska Natives, **make a copy of this page**, and be sure to send it with your application.

Frequently Asked Questions

Getting help through Covered California

1. What is Covered California?

Covered California is the new marketplace that makes it possible for individuals and families to get free or low-cost health insurance through Medi-Cal, or to get help paying for private health insurance available through Covered California.

Our goal is to make it simple and affordable for Californians to get health insurance. Covered California is a partnership of the California Health Benefit Exchange and the California Department of Health Care Services.

2. What is Medi-Cal?

Medi-Cal is California's version of the federal Medicaid program. It is free or low-cost health insurance for California residents who qualify.

3. What is Access for Infants and Mothers (AIM)?

AIM is low-cost health insurance program for pregnant women who don't have health insurance and whose income is too high for no-cost Medi-Cal. AIM is also available to women who have private health insurance plans with a maternity-only deductible or co-payment greater than $500.

4. How can Covered California help me?

Covered California can help you choose a private insurance plan that meets your health needs and budget. We offer some of the state's best known health plans, and some regional or local plans too.

We can explain the costs and benefits of health insurance plans clearly, so you can compare the different choices available to you. You will know exactly what you're getting and how much you have to pay before you choose your plan.

5. What health insurance is offered through Covered California?

You will have a wide variety of health plans to choose from. Health insurance companies **cannot refuse to cover you** because you have been sick before or could not get coverage.

Covered California offers four groups of private health insurance plans: platinum, gold, silver, and bronze, plus a minimum coverage plan.

Each group offers a different level of coverage, from high to low. Health insurance plans that cover more of your medical expenses will usually have a higher premium but allow you to pay less when you receive medical care.

Platinum plans have the highest premium, but they pay 90% of your health care expenses. Gold plans pay pay 80% and silver plans pay 70% of your health care expenses. Bronze plans have the lowest premium but pay just 60% of covered health expenses.

If you qualify for Medi-Cal, the coverage and costs are different and may be free for you.

6. Can I get health insurance through Covered California?

Any Californian can get health insurance through Covered California if he or she is a state resident and cannot get affordable health insurance through a job.

Applicants may qualify for a free or low-cost health plan, or for financial help that can lower the cost of premiums and co-pays. The amount of financial help is based on household size and family income. Applicants qualify if their income meets the income limits.

7. Can I get health insurance even if my income is too high?

Yes. Any Californian who qualifies can purchase private health insurance through Covered California regardless of income. We use your income to help us find the health insurance that is most affordable for your family.

10. Do I need health insurance now that health reform has started?

Starting in January 2014, most people over 18 years old will be required to have health insurance or pay a tax penalty. Coverage may include insurance through your job, coverage you buy on your own, Medicare, or Medi-Cal.

But, some people are exempt from having health insurance. Those people include, but are not limited to, people whose religious beliefs are opposed to accepting benefits from a health insurance plan, people who are incarcerated, people who are members of a federally recognized American Indian tribe, and those people who have to pay more than 8% of their income for health insurance, after taking into account any employer contributions or premium assistance.

In 2014, the penalty will be 1% of your yearly income or $95, whichever is higher. The penalty will go up each year. By 2016, the penalty will be 2.5% of your yearly income or $695, whichever is higher. After 2016, the tax penalty will increase each year based on a cost-of-living adjustment.

For more information about penalties, visit **CoveredCA.com** or call your local county social services office or Covered California.

12. What if I already have health insurance?

If you already have affordable health insurance from your employer, you do not need to do anything. But you can still apply anyway to find out if you or your family members qualify for free or low-cost health insurance.

If you apply, be sure to complete Attachment B and send it in with your application.

Financial assistance

17. I don't make a lot of money. What programs are available to help me get health insurance?

Starting on January 1, 2014, people who need health insurance may be able to get help in one of these ways:

A. Assitance with monthly premiums. Premium assistance is available to help make health insurance affordable. People who qualify for premium assistance may take them in advance (before they file taxes) to make their monthly premiums lower. Or they can take them at the end of the year and pay less in taxes.

The amount of assistance for monthly premiums depends upon your household size and family income.

B. Medi-Cal: Medi-Cal is California's Medicaid program, paid for with federal and state taxes. It's health insurance for low-income California residents who meet certain requirements.

If your income is within the Medi-Cal limits for your family size, you will receive Medi-Cal coverage at no cost to you.

No, your premium assistance will not change immediately. We will process any new information we have. And, we will tell you if the amount of your premium assistance changes.

19. If my income changes, how will the change affect me when I file my taxes?

It is important to report income changes to Covered California that impact the amount of premium assistance (or tax credits) that you receive. If your income decreases, you may qualify to receive a higher amount of premium assistance and reduce your out-of-pocket expenses even more. However, if your income increases, you may receive too much premium assistance and may be required to repay some of it back when you file your taxes for the benefit year.

20. What if I didn't file taxes last year?

If you didn't file taxes last year, you can still apply for health insurance and get premium assistance. We will use your income to help us find the health insurance that is most affordable for you and your family.

If you qualify for premium assistance, you must file taxes for the benefit year.

21. What if my income changes after I apply?

If your income changes, it may change what kind of health insurance you qualify for.

If you have private health insurance through Covered California, call to report any change in your income that may affect your eligibility within 30 days.

If you have Medi-Cal and your income changes, contact your county social services office within 10 days.

Other questions

22. Does everyone on the application have to be a U.S. citizen or U.S. national?

No. You may qualify for health insurance through Medi-Cal even if you are not a U.S. citizen or a U.S. national.

23. Will my family and I qualify for the same program?

Depending on your household size or family income, you or your family may qualify for different programs. For example, you may qualify for affordable private health insurance available through Covered California. However, your child may qualify for free Medi-Cal. We will tell you which health insurance you and other members qualify for.

24. This application asks for a lot of personal information. Will Covered California share my personal and financial information?

No. The information you provide is private and secure, as required by federal and state law. We use your information only to see if you qualify for health insurance.

25. Will I be able to use my new Covered California health insurance plan right away?

If you are applying between October and December, 2013, health plans start providing services as early as January 1, 2014. If you are applying after January 1, 2014, your health plan may be able to start providing services as soon as the month after you apply.

27. I have a pre-existing condition or disability. Can I get health insurance through Covered California?

Yes. Make sure to answer yes to the application question "Are you pregnant?" or tell the person helping you to fill out your application.
